

MiVue™ SMART TRUE 4K SURROUND

The Ultimate Dash Cam with Side Impact & Parking Protection

The MiVue™ Smart True 4K Surround offers complete vehicle protection with crystal clear front, rear and side impact zone coverage so you can drive with total confidence and peace of mind. It records True 4K Ultra HD front footage, 2.5K WDR rear video with a STARVIS 2 sensor, and 2.5K Side Impact Zone coverage ensuring no detail is missed. Integrated Smart Parking Mode protects your car from hit and runs when parked. Other advanced features include Smart Safety Camera Alerts that adjust based on your speed - the faster you're driving, the earlier the alert, EZYSHARE via Wi-Fi and Extended Recording Mode that reduces file size so you can record twice the footage. 64GB microSD card included.
